No: SE/EPC-I/TS/872

Dated: 11-10-2017

CORRIGENDUM NOTICE

In view of the clarifications sought by the prospective bidders and to correct some typographical errors, the following amendments to the GTP of e-NIT No: SE/EPC-I /06/2017-18 for the supply of High Voltage Detectors are hereby approved:-

S.No:	Existing Clause of G.T.P	Amendment / Corrigendum
1.	7.5.9 The detector should not have any external accessibility to change the voltage or the sensing distance to ensure the safety of a user to avoid confusion at the site.	Stands Deleted.
2.	7.11 TYPE TESTS The tenderer shall furnish detailed type test certificates of the offered Instrument for all the tests as per relevant Indian Standard amended upto date/ International standards. In case of any of the following, the offer may not be considered for placement of order. i. If tests are carried out beyond 3 years ii. Test carried out not from NABL approved Laboratory. Following type tests are to be carried out.	7.11 TYPE TESTS The tenderer shall <u>preferably</u> furnish detailed type test certificates of the offered Instrument for all the tests as per relevant Indian Standards amended upto date / International standards. <u>However, in case valid Type Test Reports are not available with the bidder at the time of bidding, it can submit an undertaking that the same shall be furnished before award of contract with the offer.</u> <u>Further, the offer may not be considered for placement of order.</u> i. If tests are carried out beyond 5 years ii. Tests carried out not from NABL approved Laboratory. iii. <u>In case the firm fails to submit the requisite Type Tests in time as per undertaking submitted with the offer.</u> Following type tests are to be carried out.

All the prospective bidders are advised to note the changes carefully and submit their offer accordingly.

All other terms and conditions the e-NIT / SBD remain unchanged.

(Er. Avinash Dubey)
